We very much look forward to welcoming you at the Investment Opportunity Forum with Gujarat and discussing your business opportunities.

About Gujarat State

Gujarat is the 7th largest province of India located in the western part of the country and is widely seen as one of the most industrialized States in India with a GDP growth rate of around 10% over last few years. Gujarat's key strengths include its strategic location, excellent infrastructure, proactive & stable governance and entrepreneurial spirit of its people, thus making it a perfect ground for doing business in India. Vibrant Gujarat, a highly successful biennial global investor summit organized by the Government of Gujarat, is an event that brings together global thought leaders, policy makers, academia and industrialists on a common platform to brain storm on issues of prominence, define growth agenda, and promote balanced & sustainable growth. The 8th Vibrant Gujarat Global Summit, held in January 2017, witnessed participation from 25,000+ delegates from 100+ countries, including 4 Heads of States, Nobel Laureates, Captains of global industry and Thought Leaders.
